

La Pelle

2016 CABERNET SAUVIGNON
Napa Valley

This was our introduction to what we do and the goal of our brand. All grapes are harvested from vineyards farm by our team at Silverado Farming Company or owned by us. This wine represents a glance of what we love about Napa Valley. Fresh fruit profile from a cooler vineyard blended with more muscular dark fruit coming from St. Helena. 60% new oak, aged for 18 months.

The nose is lively with beautiful combinations of red and black fruit, in the mouth of the wine is full-bodied, with freshness and acidity, blackberry, blueberry and hint of cassis. Long lingering finish with structured tannins and hint of sweetness.
