

La Pelle

2019 CABERNET SAUVIGNON
Saint Helena ~ Napa Valley
Alluvium Vineyard

A true profile of known and powerful wines from the St. Helena AVA. Deep burgundy color with a nose of bursting black fruits, dark plums, mountain herbs, and warm spices. Full-bodied palate with ripe tannins and minerality.

Well-structured with integrated acidity to support the midpalate layers of dark fruits and mountain spices. A hint of toasted French oak sweetness and tons of graphite expression.

Already an impressive wine in 2022 with complexity.
Expected to cellar beautifully for 20+ years.
