

La Pelle

2021 CABERNET SAUVIGNON
Saint Helena ~ Napa Valley
Alluvium Vineyard

A showcase of Cabernet Sauvignon cultivated on a warmer site. The color is opaque with seductive aromas of dark cherries, black plums, warm spices, and crème de cassis.

On the palate, the wine is full-bodied, textured, and engaging. An inkling of sweetness is palpable from the French oak with layers of blackberries, graphite, and a tinge of holiday spices. A beautiful finish carried by the fruit concentration with dissolved round tannins helps to balance the natural acidity.
