

La Pelle

2021 Chardonnay ~ Santa Maria Valley
Bien Nacido - Block I {1973}

A wine that truly captures the site and the season.
This Chardonnay is crisp and vibrant with layers of acid and cooler weather feel.
Notes of lemon, mandarin, a hint of tangerine, and spice.

A medium-body weight on the palate with a touch of sweetness from the oak and added complexity from the vineyard site. Traditional winemaking with native fermentation and native malolactic in barrel takes place in a cool environment over a few months.

The 2021 is the best Bien Nacido wine we have made to date and is already drinking beautifully and will age elegantly for 15+ years.
264 cases produced.
