

La Pelle

2023 CABERNET SAUVIGNON
Napa Valley

A thoughtful, terroir-driven blend from four distinct Napa Valley AVAs: Coombsville, Oak Knoll, Oakville, and St. Helena. By balancing fruit from these regions, this wine captures the essence of the 2023 season with purity and precision, reflecting the vintage's unique character.

The nose is vivid and layered, revealing aromas of blackberry, cassis, and dark cherry, intertwined with violet, cedar, and graphite. Subtle notes of dried herbs, cocoa, and baking spice lend depth and intrigue. On the palate, the wine is full-bodied yet elegant, with a vibrant core of black and blue fruit framed by fine-grained tannins and bright acidity. The finish is lingering, mineral-infused, and graceful, with a touch of French oak sweetness and a plush texture from the fruit's intensity.

This wine is a showcase of a cooler season, offers a dense personality, refined tannins, and excellent aging potential. Enjoy now or cellar for future enjoyment.
