

La Pelle

2022 CABERNET SAUVIGNON
Saint Helena ~ Napa Valley
Alluvium Vineyard

The 2022 vintage and the well-drained gravelly soils create a classic St. Helena AVA wine. This is a powerhouse wine with excellent concentration, darker tones, and silky tannins. The wine opens with bold aromas of black currant, cassis, and inky blackberries. A touch of baking spice leads to a palate that's full-bodied and dense. The textured tannins and integrated acidity give it a long and layered finish with a touch of minerality.

The 2022 vintage is a classic Napa wine, a true showcase of the Californian Mediterranean climate, crafting wines that are drinking well while young but have excellent ageability.
