

# La Pelle

2022 CABERNET SAUVIGNON  
Napa Valley

The Cabernet Sauvignon blend from Napa Valley intertwines the distinctive terroirs of Coombsville, Oak Knoll District, Oakville, and St. Helena. Since the first release, it has been a showcase of the vintage.

On the nose is a bouquet of blackberry and cassis from layers of ripe black cherry and dark baking spice aromas. The palate reveals layers of black and red fruits, with a touch of sweetness and hints of baking spices and French oak.

This wine is a bit softer from the 2021 vintage and is very approachable and drinking well already.
