

La Pelle

2023 CABERNET SAUVIGNON
Coombsville ~ Napa Valley
Ceniza Vineyard

From the cooler Coombsville AVA, we enjoyed a long, moderate growing season. Late-season heat spikes added welcome intensity, yielding truly unique grapes for the site. The Ceniza pours very dark. The nose explodes with dry herbs, mountain sage, cassis, and cherries.

On the palate, it's full-bodied, vibrant, and layered throughout. Red and black fruits, cranberries, cherries, dark berries, balanced by lively acidity and firm tannins. This wine captures the essence of a cooler vintage warmed by the California sunshine.

Drinking well and has the structure to age gracefully for 15+ years.
